The Best Portable BBQ's **Weber Portable Q220 566001 Grill**

This is the best portable bbq that you can have it is ranked 5 out of 5 it is the best that you can get around here. It also only weighs 34 pounds and has a five year warranty just encase you drop it or something happens to it. Also for such a small thing there is a working area on it for extra working place, and instead of using fuel or other thing it is a push button start but that means it mite fail on you so that is a bad thing about it. It uses propane and is a stainless steal color.
